

Celebrating Bavaria in the 'Burg

...time to getten zie down mit your friends at
a good ol' fashioned German-style
Oktoberfest! Get out the lederhosen, roll out
the barrels of beer, get the oom-pa-pa player
and have a grand ol' time!

The original Oktoberfest is held every year
during late September and early October in
Munich, Germany. It runs sixteen-days and
is the world's largest festival, six million
people attend every year! Our celebration may
be a bit smaller, but it will be just as much
fun as we raise awareness and funds for our
Trails Regional Library.
